

ADVANCED PLAY PRODUCTION CLASS

ACTOR CONTRACT

1. I will treat all persons involved in the APP Class with respect. Which will include appropriate language, dress, positive words, behavior, and personal space. I realize that this experience is important for all involved and I will not ruin it for anyone by being disrespectful.
2. I promise to attend all rehearsals that require my attendance. If I fail to show up I realize that my absence will affect the success of the play. **In years past, too much time has been spent reteaching due to students missing rehearsal. If a conflict is not listed on my audition calendar I am expected to put Acting Out Loud first.**
3. I will be to our performances on time and ready to help.
4. I realize that Mrs. Peterson is the Director of the play and I will bring up any production ideas privately, outside of rehearsal.
5. I promise to have my lines memorized by memorization deadlines, January 19 & 20.
6. I will practice outside of class.
7. I will bring my script and pencil to every rehearsal.
8. I will be responsible for taking care of my costume and props.
9. I promise to encourage teamwork and a supportive fun atmosphere at rehearsals and performances.
10. I will help at tech days. I am aware that Mrs. Peterson cannot prepare and implement all the technical elements of the show by herself. I will encourage at least one friend or family member to volunteer time before or during performances.
11. I realize that our stage manager and technical crew are there to support the cast as actors and I will treat them with the respect they deserve.
12. If I am cast in the play I promise to work hard at my part, take direction well, and do all that I can to contribute to the success of the play.
13. I understand that it is Mrs. Peterson's intention to give everyone a great performance opportunity. Casting will be based on ability and audition preparation. If I am not cast in a leading role I will trust that Mrs. Peterson has great plans for my character. These plans will help me develop as an actor/actress and give me lots of stage time.

If I have any problems with the above rules I will talk with Mrs. Peterson as soon as they come up.
